Hi Harold, How's Tricks.

Well i havent heard from you in ages it seems, so i throught that i would type you a note and offer you the olive branch.

Were still fighting for a Trial, but when you have a corrupt Government, then it's seems almost impossible.

This is probley the most Corrupt Govt. in the world, as if you have the money, then that gives you a license to Steal & Kill.

I seen the Honorable Gerry Spence on the T.V. News last week commenting on the FBI promoting that Agent responsible for Killing Randy Weaver Wife and Kid, Gerry Spence said that he got promoted for Commiting Murder.
That shows you what king of a Govt. were living under when the Govt. can burn up Men, Women and children like they did in Waco, Texas.
If we were living in a free country, then Janet Reno would have been put on Trial along with the FBI agents for Killing Randy Weaver Wife & Kid.

But maybe things are turning around now, as we got most of the Dirty Democrats out, and maybe Newt Gingrich and Jesse Helms can do some good.
I seen last night on Nightline California is going to Vote in 1996 to do away with affirmative Action, as it stands now the wet backs and Blacks get favorite in hiring.
What we actually need is a revoulation, as when the Majority vote in a law, some old senile Federal Judge that has never worked a day in his life Blocks it.

I'll make this brief and get it into the mail, and if you will respond to this letter, then i'll start making you Tapes again.

Sincerly

Jerry
